

## § 7.125

## 40 CFR Ch. I (7–1–00 Edition)

Complainants are encouraged but not required to make use of any grievance procedure established under § 7.90 before filing a complaint. Filing a complaint through a grievance procedure does not extend the 180 day calendar requirement of paragraph (b)(2) of this section.

(b) *Where, when and how to file complaint.* The complainant may file a complaint at any EPA office. The complaint may be referred to the region in which the alleged discriminatory acts occurred.

(1) The complaint must be in writing and it must describe the alleged discriminatory acts which violate this part.

(2) The complaint must be filed within 180 calendar days of the alleged discriminatory acts, unless the OCR waives the time limit for good cause. The filing of a grievance with the recipient does not satisfy the requirement that complaints must be filed within 180 days of the alleged discriminatory acts.

(c) *Notification.* The OCR will notify the complainant and the recipient of the agency's receipt of the complaint within five (5) calendar days.

(d) *Complaint processing procedures.* After acknowledging receipt of a complaint, the OCR will immediately initiate complaint processing procedures.

(1) *Preliminary investigation.* (i) Within twenty (20) calendar days of acknowledgment of the complaint, the OCR will review the complaint for acceptance, rejection, or referral to the appropriate Federal agency.

(ii) If the complaint is accepted, the OCR will notify the complainant and the Award Official. The OCR will also notify the applicant or recipient complained against of the allegations and give the applicant or recipient opportunity to make a written submission responding to, rebutting, or denying the allegations raised in the complaint.

(iii) The party complained against may send the OCR a response to the notice of complaint within thirty (30) calendar days of receiving it.

(2) *Informal resolution.* (i) OCR shall attempt to resolve complaints informally whenever possible. When a complaint cannot be resolved informally, OCR shall follow the procedures estab-

lished by paragraphs (c) through (e) of § 7.115.

(ii) [Reserved]

(e) *Confidentiality.* EPA agrees to keep the complainant's identity confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Ordinarily in complaints of employment discrimination, the name of the complainant will be given to the recipient with the notice of complaint.

(f) [Reserved]

(g) *Dismissal of complaint.* If OCR's investigation reveals no violation of this part, the Director, OCR, will dismiss the complaint and notify the complainant and recipient.

### § 7.125 Coordination with other agencies.

If, in the conduct of a compliance review or an investigation, it becomes evident that another agency has jurisdiction over the subject matter, OCR will cooperate with that agency during the continuation of the review of investigation. EPA will:

(a) Coordinate its efforts with the other agency, and

(b) Ensure that one of the agencies is designated the lead agency for this purpose. When an agency other than EPA serves as the lead agency, any action taken, requirement imposed, or determination made by the lead agency, other than a final determination to terminate funds, shall have the same effect as though such action had been taken by EPA.

### § 7.130 Actions available to EPA to obtain compliance.

(a) *General.* If compliance with this part cannot be assured by informal means, EPA may terminate or refuse to award or to continue assistance. EPA may also use any other means authorized by law to get compliance, including a referral of the matter to the Department of Justice.

(b) *Procedure to deny, annul, suspend or terminate EPA assistance—*(1) *OCR finding.* If OCR determines that an applicant or recipient is not in compliance with this part, and if compliance cannot be achieved voluntarily, OCR
